Here's What Stacy Had To Say!!

Majestic Beauty Home Based In Newington 0433 197 777

*"I have been using Fake Bake for around 6 months, and love it! It dries so quickly, smells great & the colour is amazing! I have used many different tans in the past and this one wins hands down! Perfect colour & application every time! When a client leaves with a Fake Bake tan that's already dry, you can see how even the tan is and there are none of those excess ugly lines!
Great tan = happy client (who tells her friends) = repeat business"*
