

COURSE OVERVIEW

Discover the skills and knowledge used by Beauty Therapists when commencing your career in the beauty industry with SHB40121 Certificate IV in Beauty Therapy. This qualification is designed for those who wish to be employed as Beauty Therapists in a beauty salon and provide consultation with clients to deliver beauty advice, recommend beauty treatments, plan and select appropriate equipment, sell retail skin-care and cosmetic products.

This qualification builds a foundation of skills offering a career in all areas of beauty covered in the qualification or allows you to specialise in areas of interest such as facial treatments, massage, eyelash extensions and more. The qualification has 3 streams of electives you can choose to assist you in creating the qualification that suits you and your future career aspirations.

You will learn how to provide a broad range of beauty therapy treatments and services including:

- Provide waxing, lash and brow services
- Provide nail services, including manicures and pedicures with use of the electric file and acrylic & gel nail enhancements
- Apply tanning products
- Design and apply basic day & evening make-up
- Apply eyelash extensions
- Facial treatments
- Body massage
- Employ sales techniques and advise on products and services
- Conduct salon financial transactions in a salon environment
- Safe hygiene and work practices and infection control

This qualification provides a pathway to work as a Beauty Therapist in a beauty salon that performs beauty, massage, facial, make-up and nail services. This qualification can also be used as a stepping stone to higher beauty and make-up qualifications.

CAREER OUTCOMES

Successful completion of this qualification leads to exciting career opportunities in the beauty industry. Graduates from the Certificate IV in Beauty Therapy course are able to gain employment as:
