

COURSE OVERVIEW

SHB20121 Certificate II in Retail Cosmetics is a nationally recognised qualification under the Hairdressing and Beauty Services Training Package (SHB).

Certificate II in Retail Cosmetics is the entry level qualification to the make-up industry. The course has been designed for those wanting to develop skills and knowledge to sell, demonstrate and apply cosmetic make-up products to an industry standard.

You will learn how to consult with clients, analyse face and skin, and demonstrate how to apply make-up products to suit each individual client's requirements. You will also develop a range of skills such as how to create the right look for day, evening and special occasions as well as popular make-up techniques. Also learn an introduction to customer service and retail operations, how to promote a range of cosmetic products.

This qualification has a choice of 2 streams of electives – the beauty stream or the advanced make-up stream. The beauty stream allows students to undertake 2 units from the beauty industry that include – brow waxing, brow and lash tinting, lash lifting and spray tanning. The advanced make-up stream allows students to undertake 2 additional units from the make-up industry that include – make-up for photography and remedial camouflage to disguise skin imperfections on the face and body, including birthmarks, tattoos, blemishes and scars.

This qualification provides a pathway to work as a retail sales consultant in any business that sells beauty or cosmetic products and services. This can include retail outlets such as cosmetic counters, department stores, pharmacies or beauty salons.
